# imagine an impressive work hub for all your home office needs

A small printer with big features. The CLX-3175 series is bursting with functionality. Multi-talented and compact this is a printer that you just can't do without. With the Samsung CLX-3175 series, it's not that hard to imagine.

## CLX-3175 series vs other colour laser printers

### USB direct print and scan

Print directly and scan to your USB portable data storage keys for maximum ease and speed.

### It's compact

This powerful, compact and stylish colour laser printer was designed to fit into professional works spaces. Now even small professional businesses and home offices can enjoy the benefits and the impressive quality of colour laser printing. At 415mm x 373mm x 342mm this colour laser will fit on a desk or a shared work space.

### It's faster

The CLX-3175 series prints black and white documents faster than other laser printers. This is important because approximately 70% of colour laser and multi-function printouts are in black and white.

## CLX-3175 series vs ink-jet printers

### It's constant

The CLX-3175 series produces consistent colour printouts which are water-resistant and long-lasting, while ink-jet printouts are susceptible to water and humidity exposure, and the images can fade over time.

### It's quieter

BLI lab test certified that CLX-3175 series is the quietest multi-function printer in terms of vibration and average noise emissions.

### It's compact

415mm x 373mm x 342mm. Small footprint saves precious space on your desk.

SAMSUNG

CLX-3175 / CLX-3175N

## CLX-3175 / CLX-3175N

### Specifications

• A4 colour multi-functional device • 16 pages per minute mono, 4 pages per minute colour print & copy speed • 2400 x 600dpi full colour printing • 150 sheet tray • 128MB memory • Advanced scanning functions including scan to USB, folder, email & network • Advanced copying functions including ID, Clone & Poster copy • Hi-speed USB 2.0 and Ethernet 10/100 Base-TX connectivity (CLX-3175N only)

Consumables: • CLT-K4092S • CLT-C4092S • CLT-M4092S • CLT-Y4092S • CLT-R409 • CLT-W409

N: Network Ready

### 4ppm Colour & 16ppm Mono Print Speed

Colour printing capability gives you the flexibility to add eye-catching colour to business documents.

### 2400dpi Print Resolution

Fine laser print resolution adds clarity and detail to printed documents for the most professional output.

### 150 Sheet Capacity Tray

Large paper capacity removes need to constantly add more paper and allows uninterrupted printing of large print jobs.

### Copy, Print and Scan

Three functions in one compact footprint for space-saving convenience and value for money.

### No-Noise™ Technology

Revolutionary engine design for the quietest, most compact printers and easiest toner changes.

### 20k Page Max. Monthly Volume

Printer built to handle the heaviest workloads for trouble-free operation month in and month out.
